1

Aggiungere il toner alla base
Add the toner to base paint

2

Mescolare bene fino alla totale
dispersione del toner
Mix carefully until the toner is
completely dispersed

3

Applicare 1 mano di prodotto con
pennellate incrociate
Apply 1 coat of the product by brush,
crisscross way.

4

Quando il prodotto è quasi asciutto,
passare la spatola di plastica per
ottenere l'effetto desiderato
When the product is almost dry, caress
it with plastic spatula until you get the
desired effect.
